THE PRESIDENT'S CORNER:

As you may already know, Teresa Pastore resigned her position as President-Elect to spend more time with her immediate and extended family. The good news for NAME, is that she has graciously consented to continue with her Conference Committee work. I would like to take this opportunity to thank Teresa for her long-time service as committee chair, board member, officer and friend. Her hard work and perseverance has been an invaluable asset to us these many years. Teresa, NAME could not have provided so many successful and meaningful conferences without you! And we are so thankful you will remain with NAME and continue to grace our endeavors with your many talents.

Denise Achin has accepted and the Board approved her appointment as our President Elect. Please join me in thanking and congratulating Denise. As our newly appointed President-Elect, Denise will serve out the remainder of Teresa's term and sit for election as President at September's Conference. I hope most of you will be joining us in historic Williamsburg for our training Conference, Sept. 22-24! My term will come to an end as you vote for the incoming President at NAME's annual membership meeting on Friday the 24th. I have enjoyed my year as NAME President and look forward to my term as Immediate Past President and Co-Chair of the 2011 Conference Committee. See y'all soon in Virginia!

Michelle Lyons-Brown, (Alaska) President
